

Course Numbering System

All courses are prefixed with the subject, such as ENGL, MATH, CHEM, etc. This abbreviation is followed by a three position number. Course numbers are intended to guide students and advisors in appropriate course selection.

Code Description

000-099 Developmental classes. Do not meet graduation requirement and cannot be transferred.

100-199 Courses primarily for first-year students and General Education.

200-299 Courses primarily for sophomores and juniors.

300-499 Courses primarily for juniors and seniors.

500+ Graduate level courses.

Courses separated by a comma mean that course content is covered sequentially and that normally the courses are taken in sequence, but that they can be taken out of sequence.
