

B.B.A. Professional Accounting

The CPA (Certified Public Accountant) license adds a great deal of value to a standard accounting degree. According to Department of Labor statistics, a CPA earns on average 10-15% more than an unlicensed accountant per year. To sit for the CPA exam in the state of Texas, candidates must have at least 150 hours of college credit (undergraduate or graduate work) that include 30 hours of upper-division accounting, 24 hours of related business classes, 2 research components, and a business communication course. The program adds enough credits to the current Accounting emphasis for a student to be able to sit for the exam upon graduation.
