

RELT 407: Christian Theology II

This course expands upon Christian Theology I to provide further study about the 28 Seventh-day Adventist Fundamental Beliefs. The course serves as a general introduction to Christian theology by covering additional topics, notably the doctrine of church, eschatology, the cross of Christ and the Incarnation, and sanctuary doctrine. Attention is furthermore given to the way selected writers have handled theological issues along with pertinent Biblical material.

Credits: 3

Prerequisites:

RELT 406

Program: Religion
