B.B.A. Project Management

The Project Management Major is intended to provide students with key skills for project managers creating students who are able to take on a variety of project and program management tasks within an organization. By the end of their major students will be ready and confident to undertake the PMI Certified Associate In Project Management (CAPM) certification.

General Education Requirements for all Bachelor's degrees

Quality Enhancement Plan (QEP) Requirement

Business Core Courses

Required of all BBA students.

**BUAD 202 is required of all Freshman BBA majors. Junior level transfer students may substitute a business elective for this class with approval from their advisor. Southwestern students who are changing from another major to a BBA are also required to take BUAD 202 unless their advisor recommends an alternative.*
