

B.B.A. Project Management

The Project Management Major is intended to provide students with key skills for project managers creating students who are able to take on a variety of project and program management tasks within an organization. By the end of their major students will be ready and confident to undertake the PMI **Certified Associate In Project Management** (CAPM) certification.

General Education Requirements for all Bachelor's degrees

Quality Enhancement Plan (QEP) Requirement

Business Core Courses

Required of all BBA students.

**BUAD 202 is required of all Freshman BBA majors. Junior level transfer students may substitute a business elective for this class with approval from their advisor. Southwestern students who are changing from another major to a BBA are also required to take BUAD 202 unless their advisor recommends an alternative.*
